

KSTU'S SRC DONATES 600 MONO DESKS AND 62-SEATER BUS TO THE UNIVERSITY

Picture: The SRC President, Evans Osei Kankam handing over the keys of the newly donated 62-seater bus to the Pro Vice-Chancellor, Ing. Prof. Abena Obiri-Yeboah. They are joined by other University officials and SRC members, standing in front of the bus.

The Students' Representative Council (SRC) of Kumasi Technical University (KsTU) for the 2023/2024 academic year has made a significant contribution to the Institution by donating 600 mono desks and a 62-seater bus. This generous donation is intended to enhance the University's teaching and learning environment and to facilitate the movement of students.

The mono desks were presented to Ing. Prof. Abena Obiri-Yeboah, the Pro Vice-Chancellor of KsTU, who received them on behalf of the University Management. In her address, Prof. Obiri-Yeboah expressed her profound gratitude to the SRC for their "thoughtful gift." She highlighted the importance of such contributions, noting that as a technical university, KsTU occasionally faces challenges in acquiring adequate facilities to meet its demands. The donation, she said, is a valuable support towards the University's determination of becoming self-sufficient. [Read more](#)

ENHANCING STUDENT TRAINING AND INDUSTRY COLLABORATION: KSTU SIGNS AN MOU WITH THE KANTANKA GROUP

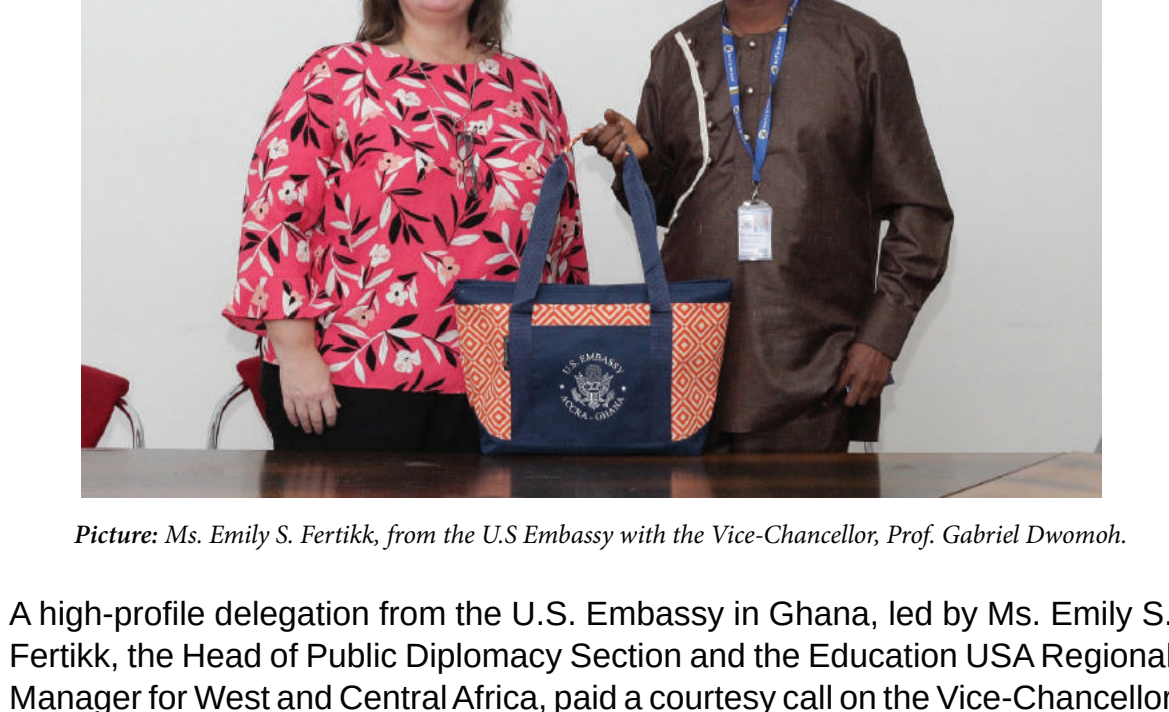

Picture: The Vice-Chancellor of KsTU, Prof. Gabriel Dwomoh (5th from right) and the General Manager of Kantanka Group, Mr. Francis Kojo Kudjorjie (3rd from left) display the signed MoU. They are joined by other officials from both institutions.

In a significant move to bridge the gap between academia and industry, Kumasi Technical University (KsTU) has signed a Memorandum of Understanding (MoU) with Kantanka Automobile Company Limited. The June 7, 2024 agreement aims at a workable partnership that will benefit students and the broader automobile industry.

The MoU which was signed by KsTU's Vice-Chancellor Prof. Gabriel Dwomoh and the Kantanka Group's General Manager Mr. Francis Kojo Kudjorjie, is designed to provide students with invaluable hands-on training and practical experience. This collaboration marks a milestone in KsTU's usual efforts to enhance the quality of education and ensure that its students are well-equipped to meet industry demands. [Read more](#)

U.S. EMBASSY DELEGATION VISITS KUMASI TECHNICAL UNIVERSITY TO STRENGTHEN EDUCATIONAL PARTNERSHIP

Picture: Ms. Emily S. Fertikk, from the U.S Embassy with the Vice-Chancellor, Prof. Gabriel Dwomoh.

A high-profile delegation from the U.S. Embassy in Ghana, led by Ms. Emily S. Fertikk, the Head of Public Diplomacy Section and the Education USA Regional Manager for West and Central Africa, paid a courtesy call on the Vice-Chancellor of Kumasi Technical University (KsTU), Prof. Gabriel Dwomoh. The visit aimed at reinforcing the existing partnership between the two institutions and explore new avenues for collaboration.

The delegation was warmly received by the Vice-Chancellor and his Management team. The visit included series of meetings with both the University's officials and the students. During these interactions, Ms. Fertikk highlighted the purpose of their tour of the Ashanti region, which is to encourage and guide students on pursuing educational opportunities and accessing graduate programmes in the United States. She emphasised the importance of expanding the ties between U.S. universities and KsTU. [Read more](#)

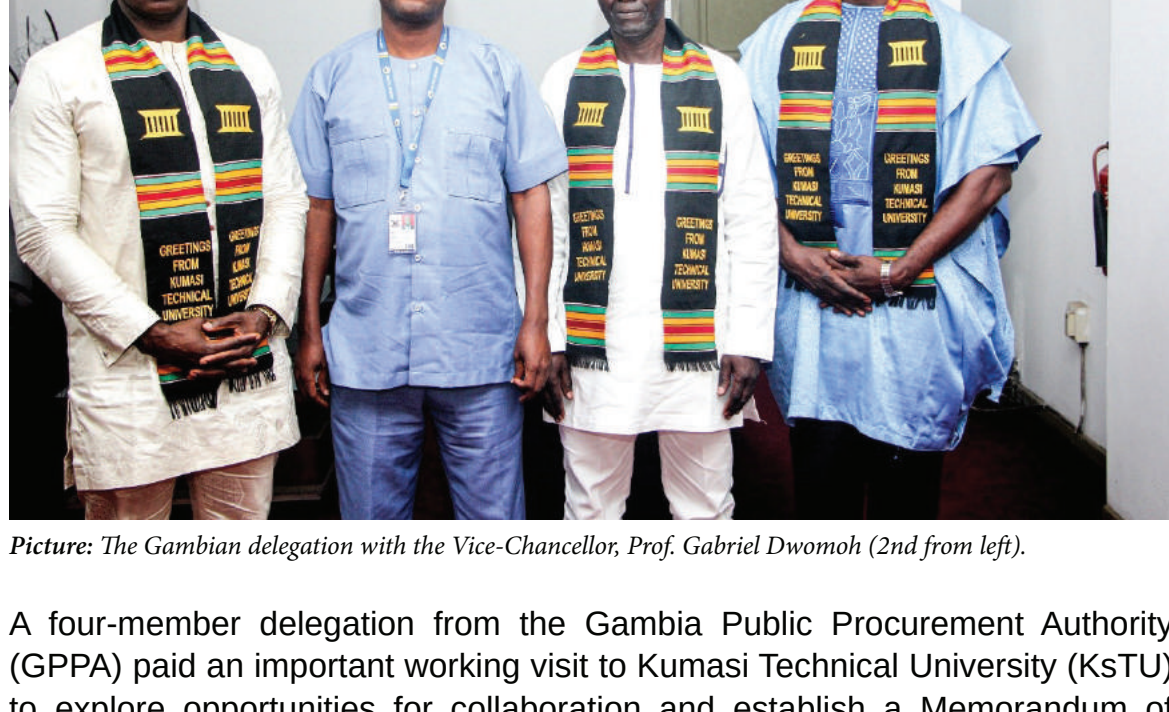

GRADUATE SCHOOL AND THE UNIVERSITY LIBRARY ORGANISE SEMINAR ON MAXIMIZING ACADEMIC LIBRARY RESOURCES FOR POSTGRADUATE RESEARCH

Picture: Dr. Kwabena Osei Kuffour Adjei, the University Librarian giving his presentation during the seminar.

The Graduate School of Kumasi Technical University (KsTU) in collaboration with the University Library, successfully organised a seminar aimed at enhancing postgraduate students' ability to access and utilize e-resource materials and databases available in the University library. The seminar which was organised under the theme "Maximizing the Use of Academic Library Resources for Postgraduate Research," equipped the participants with strategic approaches to postgraduate and research, upholding academic integrity, and effectively leveraging library resources to support their academic endeavours. The staff of the University library took turns to interact with participants. [Read more](#)

KSTU WELCOMES DELEGATION FROM GAMBIA PUBLIC PROCUREMENT AUTHORITY

Picture: The Gambian delegation with the Vice-Chancellor, Prof. Gabriel Dwomoh (2nd from left).

A four-member delegation from the Gambia Public Procurement Authority (GPPA) paid an important working visit to Kumasi Technical University (KsTU) to explore opportunities for collaboration and establish a Memorandum of Understanding (MoU) that will be geared towards enhancing training and research capabilities of the two entities. The delegation was led by Mr. Phoday M. Jaitch, Director General of the GPPA and it included Mr. Ibraima Sanyang, (Director of Procurement Policy and Operation), Mrs. Jainaba Jallow, (Senior Lecturer and Trainer) and Mr. Maurice J. Gomez III, (Head of Institute GPPI).

PROF. AMY VANSKOY OF UNIVERSITY OF BUFFALO VISITS KSTU FOR ACADEMIC ENGAGEMENTS

Picture: Prof. Amy Vanscoy (front row, second from left), with Prof. Gabriel Dwomoh (front row, 3rd from left), in a group photograph with some University officials, during the visit.

Kumasi Technical University (KsTU) had the distinct honour of hosting Prof. Amy Vanscoy, a distinguished scholar from the Department of Information Science at the University of Buffalo, USA, from 18th June to 19th June, 2024. Her visit marked a significant milestone in the University's ongoing efforts to enhance academic collaborations and foster a robust learning environment.

During her stay, Prof. Vanscoy paid a courtesy call on the Vice-Chancellor, Prof. Gabriel Dwomoh, and his management team. In their discussions, Prof. Dwomoh elaborated on the various transformations that have taken place at KsTU over the years, underscoring the Institution's vision of becoming a world-class University. He emphasised the importance of such visits in achieving this vision, particularly, in the area of Information Science, which relies heavily on experienced scholars to mentor and inspire students.
